Every participant will be supplied with a full itinerary of their tour, which lists all the major places of interest visited during the tour, the approx. arrival and departure times from major intermediate destinations as well as all the activities that are included in the tour price. All tours are self-catered; therefore all camping equipment, food and drinks are to be supplied by the participant. We also recommend an "off road" first aid kit be carried, these are available from St. Johns Ambulance, Ambulance Victoria and other similar organisations. A suitable 4wd vehicle will be required, one that has high AND low range. Prior experience is not necessary, but is an advantage. Suitably rated recovery points are to be fitted to the front and rear of your 4wd. Each vehicle must also carry its own snatch strap and rated shackles as well as a pair of leather gloves. Pit toilets are located at some campsites. Each vehicle will need to carry 200 litres of petrol (V8 & straight 6 engines), 160 litres (V6 engines) or 140 litres of diesel, as well as 20 litres of water per person. Each vehicle must have a UHF radio, and we recommend a cargo barrier.

As our tours are adventure tours, we require each participant to execute a voluntary assumption of risk form, which amongst other things indemnifies 4wdadventureoz.com. These forms will be included with the tour documentation.

These forms must be signed prior to tour departure.

We also strongly recommend obtaining adequate Travel Insurance, including cover for sickness and accident.

All prices are quoted in Australian currency. A deposit of 30% of the total tour price (including GST) is required within ten days from the date of your booking to ensure reservation of your position.

For Custom Tours the deposit is 40% of the total tour price (including GST).

For all tours unless stated otherwise in the itinerary or quote, the balance is due 45 days before scheduled tour departure. Participation can only be confirmed once the deposit is received.

After a tour has departed, if a participant disembarks, is removed or otherwise leaves the trip prior to its scheduled completion without prior arrangements (which must be made at least 15 days before the scheduled tour departure), 4wdadventureoz.com shall not be obliged to, but may in its sole discretion provide a refund of any part of the deposit or total tour price to a participant for such amount and on such terms and conditions as it thinks appropriate.

NOTE: 4wdadventureoz.com cannot guarantee a position on any of their tours unless a firm booking, including the appropriate deposit is received by the relevant due date. In addition, should the entire balance not be received by the due date then your position on the tour maybe lost.
